Auditor's Report.

We have examined the books of the Selectmen, Treasurer, School Treasurer, Tax Collector and Library Trustees, and we find them correctly kept and properly vouched.

H. A. WHITCHER,	} Auditors
AMOS L. MERRILL,	
JAMES H. WILLIAMS,	

SCHOOL REPORT.

The past year has shown a marked interest in the schools, on the part of teachers and pupils, in general the attendance has been good. Each school with the exception of one on Ore Hill has been kept twenty-four weeks, divided in a spring and fall term.

New Geographys have been purchased for the schools, to take the place of old ones badly worn and not up to date.

The coming year we advise changing the readers as those now in use do not seem adapted to the pupils in our schools.

The underpinning and floors of the East Warren, Swain Hill and Summit school houses have been repaired, also the chimney of the Swain Hill school house. New stoves have been furnished to each of these school houses.

Following is a table showing number of weeks in each term, average membership, percentage of attendance, and number of pupils from six to sixteen years of age in each school:

School	Weeks	Term	Av. Membership	Percentage attendance	Number pupils 6 to 16 years
Village Gram	11	Spring	18 ¹⁰¹ ₁₀₃	91.20	16
" "	13	Fall	15 ¹⁷ ₇₆	95.	15
Village Prim	11	Spring	31 ⁹³ ₁₀₄	80.20	30
" "	13	Fall	34 ² ₁₂₂	81.	35
Clough	10	Spring	11 ⁹⁷ ₉₈	80.86	14
"	14	Fall	10 ⁹³ ₁₅₂	92.96	11
Beech Hill	10	Spring	4	96.87	4
" "	14	Fall	4	85.32	4
Swain Hill	11	Spring	18 ⁴⁸ ₁₀₃	93.	17
" "	13	Fall	17 ⁶⁴ ₁₃₀	97.	17
Summit	11	Spring	18	96.29	16
"	13	Fall	19	88.80	19
E. Warren	11	Spring	7 ⁶ ₁₁	95.30	7
" "	13	Fall	9 ⁶⁶ ₁₂₆	95.75	10
Foote	11	Spring	9 ⁵⁸ ₁₁₄	98.74	11
"	13	Fall	12 ¹⁰³ ₁₂₃	82.70	13
Ore Hill	11	Spring	12 ⁸⁹ ₁₀₄	91.81	14
" "	9	Fall	9 ⁵⁶ ₈₈	64.24	13

The poor showing in fall term of the Ore Hill school is accounted for by most of the pupils moving away before term was completed. Enumeration of school children during month of September by truant officer shows 66 males and 75 females age 5 to 16 years.

EMMA B. STETSON,	
H. L. COTTON,	

Board of Health Report.

During the year ending December 31, 1905 the Board of Health has been called to visit different parts of the town to abate unsanitary conditions.

In May, scarlet fever broke out in the family of Daniel Spooner, four of his children had the disease. In September, typhoid fever made its appearance in five different families. The cause of the disease was

traced to the use of polluted well water, with one exception.

Every family using water from a well ought to keep close watch of the surroundings and see that no pollution takes place from slops or other filth about the well.

The Board of Health think the Selectmen should provide a place outside the village where garbage can be put without troubling anyone. They should also provide apparatus for disinfecting after infectious and contagious diseases.

F. L. GERALD, M. D.,	}	Board of Health.
